List of Textbooks for School Year 2021-2022

Notes to parents and students:

1. This textbook list is compiled in May 2021. The prices quoted are for reference only. Students and parents are free to purchase textbooks from any bookstores.
2. Please refer to the “Textbook Information” webpage ([www.edb.gov.hk/textbook](http://www.edb.gov.hk/textbook)) for checking the latest publication information of new textbooks, as well as the contact telephone numbers of the publishers concerned from mid-July to end of September. This will avoid the hassle of purchasing textbooks that are not yet published. The information will be updated every week during the said period.
3. You can make enquiry to the publisher(s) concerned directly if the books listed on the school textbook list are not available from the market.
4. You can also contact EDB for enquiries related to the purchase of textbooks. The EDB operates the “Textbook Information Hotlines”: 3698 3947, 3698 3578 and 3698 4025 from 9am to 6pm on Monday to Friday. Enquirers may also send emails to [textbook@edb.gov.hk](mailto:textbook@edb.gov.hk).
5. Textbooks with the word “reprinted with minor amendments” (R.M.A.) are NOT new edition textbooks nor “revised edition” textbooks. Students can still use the second-hand textbooks of the previous version.
